# Test Preparations

## MRI

Remove all jewelry and eye make-up.  
Wear comfortable clothes without metal closures.

## CT Abdomen/Pelvis

DO NOT EAT OR DRINK anything within four (4) hours before exam.

## Mammography

Do not use powders, deodorant/antiperspirant or perfume on the day of your test. These products contain substances that show up on x-ray film and can cause an unsatisfactory exam. Please bring your most recent mammogram if done at another facility.

## Ultrasound Studies

**Abdomen, Gallbladder:** DO NOT EAT OR DRINK anything within six (6) hours before exam.

**Pelvic Ultrasound:** Two (2) hours before your exam time, EMPTY your bladder. One (1) hour prior to your exam time (before arriving), drink at least 32 ounces of fluid. Bladder must be FULL for this exam. Do NOT urinate until after your exam. No fasting is necessary.

## Special Procedures

Please call for instructions on how to prepare for special procedures.
